Dear Steve,

We would like to thank you for performing your Magic on the Menu act at our company Christmas party, the show was a hit! Our audience ranged in age from 21 to 85 and everyone thought the show was great. You really got the crowd involved and made everyone's experience pleasant and your added humor made the show that much more fun! You have really been a pleasure to work with and I would highly recommend you as entertainment for anyone's event!

Thanks again,
