Recently the Crowne Plaza Hotel St. Louis had the pleasure of having magician extraordinaire Steve Barcellona for our holiday party. Wow! He completely exceeded our expectations.

Knowing Mr. Barcellona I was not surprised that he was an excellent magician, I was not however, prepared for the enormous positive impact he had on our event. It is not just the great magic but how he works the room and gets everyone involved. Many of the guests wanted to know where they could see him perform again. He entertained and astonished everyone and wherever he strolled the laughter and amazed expressions followed. Steve's vast repertoire and quick wit really made our event special. I am still hearing comments about him from people that were there.

Steve was a pleasure to work with. Arriving early and staying past his contracted time, he was the consummate professional. I will continue to highly recommend Steve to anyone looking for a fun and entertaining way of upgrading an event and providing an authentic crowd pleaser, guaranteed to keep you smiling.

Please feel free to contact me if you have any questions.
