Steve;

Hello and hope this letter finds you doing well. I just wanted to drop you a line and THANK YOU so much for the entertainment on Friday evening for my Office Christmas Party. What a good time! You were able to mix into the crowd during the social hour and break the ice with the guests and make the laughs begin. And the after dinner spotlight was outstanding, don't think I could of done much better as a host. I have heard so many compliments about the entertainment that I chose and the many Thanks that I have received for a great night. I would recommend your show to anyone with confidence. So a BIG THANK YOU goes out to you and I wish you the very best. Should you ever need a reference, point them in my direction.

May you and your family have a blessed holiday season.

Sincerely;
